About Project Sunshine:

Project Sunshine is a nonprofit organization that empowers a dynamic and dedicated corps of over 10,000 volunteers to bring programming – recreational (arts), educational (tutoring and mentoring) and social service (HIV and nutritional counseling) – to over 60,000 children facing medical challenges and their families in 150 major cities across the United States, and in five international satellite sites: Canada, China, Israel, Kenya, and Puerto Rico. Project Sunshine is dedicated to bringing a ray of hope to these hospitalized children.
